SOUNDVIEW PAPER COMPANY LLC PURCHASES PUTNEY PAPER CO., INC.

ELMWOOD PARK, NJ – Soundview Paper Company LLC has acquired Putney, VT based Putney Paper Co, Inc., a subsidiary of APC Paper Holdings, Inc., a towel and paper products manufacturer.

With the acquisition of Putney, Soundview Paper Company brings a broader range of commercial towel manufacturing capability into its finished paper products offering of tissue, towel and napkin products to retailers, distributors and other customers. “We are very enthusiastic about this important addition to Soundview’s Away-from-Home business and the synergies created by putting these enterprises together. Putney is recognized for its high quality commercial towel products and has a heritage of making tissue from 100% recycled paper, fitting perfectly into the family of Soundview and Marcal brands. With the addition of Putney, we now offer our customers an even broader product array of towel and tissue products in the Away-from-Home segment,” said John McLean, SVP Sales & Marketing for Soundview Paper Company.

“We are excited about the Putney acquisition,” said George Wurtz, Soundview’s CEO. “The mill’s operational capabilities and paper-making skills extend our capabilities in the commercial markets, enabling us to continue to grow our presence in the northeast region. The Putney, VT mill has a rich culture and we look forward to welcoming Putney employees into the Soundview family.”
